TRESTLEBOARD

VIEW FROM THE EAST

By Michael Kofta, Worshipful Master

Greetings from the East,

May the Great Architect of the Universe bless you and your families.

Our Winter visitors are starting to return slowly but surely. Welcome back!

The end of our Masonic Year is fast approaching with elections for pedestal officers and trustees at our next stated meeting in November. Look well to your ballots and vote for the good of Masonry.

There have been a few Brothers that were given assignments for different lectures and portions of degree work to prepare them for new positions/assignments for next year. Proficiency is coming along well for our lower chairs. Congratulations and keep up the good work! If there is anyone needing to practice, let myself or our DDGM WB Mikel White know. Tick tock, time is running out.

For all of you that have visited other Lodges so far, thank you and for those that haven't yet made a visit to another Lodge, there are more visits and a couple of Outdoor Degrees coming up.

We are still actively supporting our Travelling Brother, WB Michael Dale, Junior Grand Deacon for the Grand Lodge of Free and Accepted Masons of the State of Arizona. Anyone wishing to join us in future trips can get with either WB Michael Dale, myself, or the Secretary for the schedule.

We are still looking for as much assistance as possible for our upcoming Outdoor Degree in October. Let either myself or Brother D.J. Arps know as to how you are able to help. We will need assistance with set-up and tear down of the lodge, transporting lodge furniture and equipment, meal service, etc.

Please try to sell as many raffle tickets as you can to help raise money for the Lodge. The drawing is to be held at the Outdoor Degree on October 26th. If you want any tickets, or need more tickets to sell, contact one of the pedestal officers.

If you have any pictures that you would like to share for either the Trestleboard or the website, please forward them to either our Editor, Sabrina Arps, or Brother D.J. Arps.

VIEW FROM THE WEST

By Michael Dale, PM

It is not easy to cut stones to perfect sizes and shapes. It requires a lot of experience that only true artisans have. In history, only large buildings were made of ashlar. Other buildings were constructed with brick and wood. It was difficult to assemble skilled artisans that knew how to lay foundation stones, lay stones the right way on top of one another for tall buildings, and build stone archways. It was also difficult to find artisans that could sculpt the stones into nice ornamental shapes.

There are two forms of ashlar in Freemasonry. Rough and Perfect ashlar. These stones serve to symbolize a man's spiritual and moral life. In Speculative Freemasonry, a Rough Ashlar represents an uninitiated Mason before he becomes enlightened. A man can improve his moral and spiritual being by education and acquisition of knowledge. A Rough Ashlar begins as an imperfect stone. A man is also imperfect initially. The Rough Ashlar represents the unrefined state of a man and the need for the man to be improved. The unrefined man learns that he could become a better man through better conduct and better spirituality of thought. He is charged to become a better person through obligations, expectations, and duties.

A Perfect Ashlar represents a Mason that works to achieve a purposeful, principled, righteous life and does all he can to be enlightened through brotherly love, cultivation and education. He transforms into a being that has been tried by the square of virtue, and he has become encircled by the compasses of his boundaries given to him by the Creator. A Mason continually smooths his external and internal rough edges to become a better man and a better Mason. Once a man has smoothed his ashlar to his best, he starts to help his Brothers to become better people and better Masons.

All Rough ashlar have the potential to become Perfect ashlar. First, the Rough Ashlar must be made of solid materials and their character flaws must be minimal. They must be receptive to change, and they must be capable of being worked into a perfect stone. In line with this, candidates for each Masonic degree are asked a lot of questions to know more about their characters and their qualifications. Candidates must have the capability to serve and support the Lodge. Candidates must be carefully inspected to certify that they can fit into our Masonic goals and tenets.

An Imperfect Ashlar can be made perfect, but some major flaws are difficult to change; these flaws can weaken a structure when the ashlar is

fitted into the structure. Masonry is a noble and ancient Brotherhood with a long history. A Flawed Ashlar can bring in negative thoughts, reproach, and embarrassment to the Brotherhood from non-Masons. Therefore, flawed ashlar cannot be allowed to join the Brotherhood.

We must also understand that Perfect ashlar cannot just be found in the stone quarries. They must be hammered, chiseled, and polished before they can attain their perfect state. It is hard to find 'perfect men' that exist without Brotherly light, guidance, and love. It is hard to find Masons that have not been in the state of Rough and Perfect ashlar at some point in their lives.

How can Masons contribute to the making of other Perfect ashlar? By seriously considering their personal responsibility to educate other Brothers towards their improvement. We get enlightened when we assist those in need. Master Masons uphold the tenets of the craft and teach other Brothers what they have learned. All Lodges must take time in judging the potential of a candidate. They must weigh their characters and evaluate their potential for change. All Masons must extend a friendly hand of affection and love, to help new Masons become better people. We must help the new Masons to stand upright with the plumb, live on the square, and become true Masons who will make the Creator proud of them.

All worthy men must take the lesson of the Rough and Perfect Ashlar seriously. We must take these lessons seriously so that we can become more knowledgeable and less ignorant, go from death to life and go from darkness to light.

GREETINGS FROM THE SOUTH

By Dale Kreger, PM

Greetings from the SOUTH,

Hope all are in good health. The heat is finally on the way out and we are about to elect some new officers as well. If the brothers give the incoming line the same support that I have received, they can go far. We have some new brothers that have been stepping up to help out (much thanks) and showing support to WB Mike Dale with his visiting other lodges. I would also like to say job well done in the degrees by the lower chairs. You guys are doing the right things. It is easy to sit back and do nothing but together we can keep the Lodge growing. The Outdoor Degree should be over when you receive this, but I know we'll do a great job thanks to all the help and to all that come out to watch. It has been my pleasure to be a line officer in this lodge. However, I'm going to be stepping out of the line. I've got some personal things I need to take care of. This doesn't mean I'm not coming to Lodge, I just may not be there every meeting. I'll always be very proud of this lodge and the Brothers that belong to it.

Yours In Faith,
Dale Kreger, PM

Hello Brothers. Let's remember what it means to be a Mason while we come into the holiday season. Be kind to your fellow humans and do what you can for others.

Benjamin Hinderer
Senior Deacon

Congratulations to our newest EAs, Brother Jay Mayfield (above) and Brother Chris Perez (below). We conducted a First Degree for Brother Jay on September 19th, led by Brother Benjamin Hinderer, and for Brother Chris on October 17th, led by Brother DJ Arps.

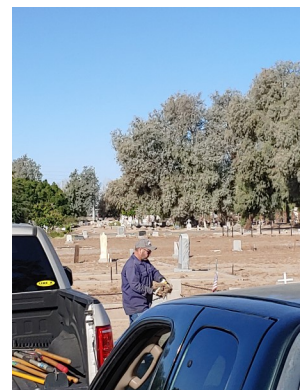

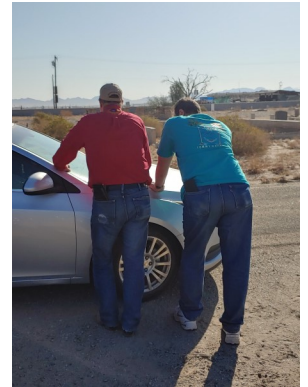

Serving the Community

Brothers from Yuma Lodge #17 participated in their Highway Cleanup in October, making sure a section of Highway 95 continues to look beautiful!

Several brothers went to the local cemetery in October to clean up the area designated for our fallen brothers. We continue to do our part to honor our brethren, pay our respects, and help them to rest in peace.

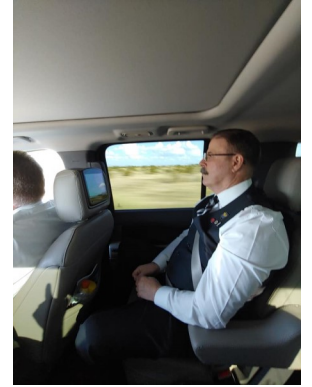

"If you want your work to be square, don't cut corners" - Author unknown

Traveling Men

On October 14th, several Brothers headed to Kingman Lodge #22 in Kingman for the Official Visit of WB Michael Dale, Junior Grand Deacon. It was a great visit!

On September 7th, we went to the Fain Ranch Outdoor Degree. It was a little warm, but worth the effort to see our Brothers in action!

On October 21st, we traveled to Ascension Lodge #89 in Phoenix for the Official Visit of WB Michael Dale, Junior Grand Deacon. It was truly an incredible experience and Ascension did a tremendous job!

Official Visit of the DGM, RW Brother Boyd Robertson

We had such an amazing visit from RW Brother Robertson at our Stated Meeting in September! Many of our brothers and visitors came for dinner and fellowship. Brother Mikel and his wife Emily cooked up a delicious dinner of tri-tip, potatoes, and vegetables! Our Easter Star Sisters and Brothers were also on-hand to help out and join in the celebration.

We also presented a donation to the Hospice of Yuma. This is an organization near and dear to us, so we do what we can to help out this very special organization.

What a great and special night!

Dear Brother Secretary,

October 1, 2019

Enclosed are Application forms for Grand Lodge Scholarships for the 2020-2021 academic year. Please **destroy** any old applications you may have. You may obtain additional applications from Jack Bender – Chairman or the Grand Secretary.

3. **Determination of scholarship recipients will be after Grand Lodge in mid – July.**

May I suggest the following as a story to run in your Trestle board or Email, as it is a primary means to inform the brethren of the scholarships:

Applications for 2020 – 2021 Grand Lodge scholarships are now available from (Lodge Secretary's name), announces Worshipful Master (Master's name).

The deadline for completing the application – along with other required documents – is April 1, 2020. The completed application and other documents are to be submitted to the Lodge Secretary by that date.

Applications will be reviewed, forwarded to the Grand Lodge Scholarship Committee, which will consider the applications and notify the successful recipients in mid-July of 2020.

Applicants must meet one of the following criteria: be the son, daughter, grandson, of granddaughter of an Arizona Master Mason, or be an Arizona member (or and Arizona senior/majority member) of DeMolay, Rainbow for Girls or Job's Daughters. The applicant must use the scholarship monies to attend a school of higher learning within the State of Arizona, unless the major course or discipline of study is not offered within the State of Arizona. Then and only then, can the scholarship monies be used toward attendance of an out-of-state institution of higher learning. Must be a **full time student in an undergraduate program** (carry and complete a minimum of 12 semester hours).

Inasmuch as considerable work must be done by applicants to complete the application and compile the necessary documents, it is urged that applicants not delay in doing the necessary paperwork. (I will email you this notice if you request at (jackeb8@msn.com)).

Please do not hesitate to contact me if there are any questions or concerns about the application process.

Fraternally,

Jack Bender, Chairman

STAR IN THE EAST

Submitted by B.J. Dale, Conductress
(Carolyn Simson, Worthy Matron)

Yuma Chapter #14 has come back from being dark through July and August, but that doesn't mean that we have been any less active gearing up for the upcoming year. Several of our Star members started off this year by attending Send-Off for our new Worthy Grand Patron, E. Dean Powell in beautiful Holbrook. It was a beautiful day of fellowship and fun. The Chapter then followed up by holding our first meeting on September 24th. We're excited to have our members back with us and looking forward to seeing all our friends and visitors back. It's always great to see sideliners and those that are ready to pitch in where needed. We will be having our first initiation of the year at our regularly scheduled meeting on **November 12th**. We will have two initiates. We would love to see you there to welcome them into our Chapter. We will also be honoring the Chaplain and Marshal and celebrating our Chapter's 113th birthday (November 13th). **We will be holding an initiation practice on Tuesday, November 5th at 6:00pm.**

We will be serving dinner for the Masonic Stated meeting on **November 14th**, helping them celebrate Veteran's Day and the Marine Corps birthday. We are planning a Stars Night out on **Wednesday, November 20th** at the Crossing Restaurant starting at 6:00pm. We would like to have another Stars Night Out in December, but a time and date have not been determined yet. At our **December 10th** meeting, we will be honoring the Associate Matron and Associate Patron. We will be having a white elephant gift exchange and revealing our Secret Pals. Be sure to wear your Christmas outfit! Our **Official Visit** for our Worth Grand Matron and Worthy Grand Patron will be held on **Saturday, January 18th, 2020**, so be on the lookout for information on that. Plan on joining us for a fun-filled day!

PUBLISHER'S CORNER

The Masonic year has officially begun! Between events and meetings for the Lodge and events and meetings for Eastern Star, our household is very busy! Seeing the men hard at work getting ready for the Outdoor Degree and how excited they are, I can't wait for them to be able to show off how awesome Yuma Lodge #17 is! I love seeing all the visitors come "all the way to Yuma". If there is anything you would like to see in the Trestleboard or have any suggestions, please feel free to let me know! I've really been enjoying working on the Trestleboard and want it to be great!
