

TRESTLEBOARD

VIEW FROM THE EAST

By Benjamin Hinderer, Worshipful Master

Greetings Brethren,

We have our elections this November for next year's officer line. It has been an honor to serve as the Worshipful Master these last two years. Yuma Territorial Lodge 17 will be in good hands next year with our next Worshipful Master. I do look forward to assisting the Lodge from the sidelines and filling in when needed.

It would be great to see other Past Masters who have not been as active come back and sit on the sidelines. It would also be nice to see many of our members who have been away come back and see how the Lodge has changed over the last couple of years.

Currently our very own RWB Mike Dale is the Deputy Grand Master of Arizona and if elected he will be the Grand Master of Masons in Arizona. We need to show up for him next year and the year after at Grand Communication and let Yuma's presence be known. His Official Visit to Yuma will be during our stated meeting in December so if you have not been at the Lodge in awhile please come down for that.

Thank you all for your support these last two years.

Your Worshipful Master
Benjamin Hinderer

VIEW FROM THE WEST

Submitted by Douglas Arps, Jr.

Greetings from the West,

I would like to start off by congratulating Brother Ivan on his journey to becoming a Master Mason. I am honored that I was able to help him get to the point he is at; we have given you all the light we could give you, now its your turn to make it brighter.

I am currently in New Mexico for work but by the time this gets out I'll be back home. So far in my travels I was able to visit a Lodge but unfortunately all pedestals were unable to be there so they couldn't open Lodge. But we still had dinner and great fellowship. Being a Mason, every time I get a chance to visit Brothers from another Lodge it's always arms wide open like we have known each other for years. WM Bass from Ruidoso, NM has been awesome in getting me information on events to go to while I'm here. I hope I'll be able to attend another function before I leave. This work trip seems to have been a long one, but I'm glad I was able to get some Masonry in.

It's almost time for me to get home and be with my family. I want to give a big shout out to my wife for dealing with everything while I've been gone. It's not an easy task and I love you for it.

Brotherly Love,
Douglas Arps, Jr. "D.J."
Senior Warden

GREETINGS FROM THE SOUTH

Submitted by Brad Hamner

Fraternal Greetings from the South

As this year is nearing its end, I hope this last Trestleboard finds you well. We have had an interesting year to say the least. We recently had our annual outdoor degree and raised our newest, youngest brother to the sublime degree of Master Mason. Congrats Brother Ivan! We have accomplished a lot this year, but still need more light from the Brethren, we miss all of you. Many good things to come next year, and hope to see a lot more of you show up to the Blue Lodge. If there's anything we can do, please let us know. I would like to thank Yuma Chapter #14 OES for all the great meals and support this year.

HOW IT FEELS GOING THROUGH THE
DEGREES OF FREEMASONRY

FROM THE SECRETARY'S TABLE

Submitted by WB Michael Kofta, PM

Brothers and Sisters,

I hope that all our nautical Brothers enjoyed the U.S. Navy Birthday on October 13th! The U.S. Marine Corps Birthday is next on November 10th. For those close to a Marine base, make sure you partake of your steak and lobster dinner and cake.

Saturday, October 14th was our Outdoor Third Degree. Congratulations to Brother Ivan Pagan, Jr. who was raised to the Sublime Degree of Master Mason! I heard a lot of good comments from visiting Brothers regarding a well done degree with many planning for a return visit. One of the visitors from San Diego won the 50/50 drawing, so he basically drove for free.

There were a total of 47 officers, members, and visitors present during the Degree. Our Grand Lodge was well represented as well as Brothers from Lake Havasu, Phoenix, and Tucson showed up. California was represented by members from Handford, Coachella, Imperial, and San Diego. We also had visitors again from Canada and Mexicali, Mexico. Thank you very much to the Grand Master for his part, WB Phillip Avery for his part, WB Wayne Thatcher for the Lecture, and WB Michael Vallecourt for filling in on a few parts as well. The weather actually cooperated with us this year! A very special Thanks again to Brother Leon Wilmot and his wife Ruth for graciously allowing us the use of their property for the Degree. I'd also like to say Thank You to Brother Michael Cooper who prepared the meat, RWB Michael Dale for the beans, Brother Hector Aponte for the tortillas, and Brother Brad Hamner who arranged for the tables and chairs. Again, a big THANK YOU to the Brothers that showed up to help move the Lodge equipment to and from the site.

There are changes again to the Master Architect and Master Builder awards for 2023–2024. It is imperative that you check and update your information in Grandview so that our Lodge member information is accurate and up-to-date. If you make any changes in Grandview, please let me know so that I can update our Lodge database. Grandview is the future, so please log in and update your information. If you don't know how to log in or have lost the instructions, call me.

Elections will be held at our next Stated Meeting, November 9th. Installation of Officers in December.

We ended up having to suspend two Brothers this year for failing to pay their dues. So, let's try to get dues paid sooner than later this year. They should be paid prior to the 1st of January!

If you need any assistance in general, or with practicing, or on proficiency, feel free to contact me.

Fraternally,
Michael A. Kofta, PM

THE LORD'S PRAYER

Submitted By Antero "Doc" Trujillo, Chaplain, Very Reverent Grand Chaplain

Our Lord Jesus Christ came into the world to dwell among us to do the will of the Father, according to His own words.

In fulfillment of this mandate, the work He did was great, one of many being "The Lord's Prayer", at a request of His apostles to teach them how to pray. The Bible has two versions of "The Lord's Prayer", Matthew 6:9–13 and Luke 11:2–4. Luke's version omits several phrases found in Matthew's version, the one that is the most familiar⁽¹⁾. Most Bible scholars agree that the final Doxology of the sentence: "For Thine is the kingdom...etc" is a later addition to the Gospel of Matthew.⁽¹⁾ Doxology represents a praise and acknowledgment of God's infinite power.

This prayer elevates the supplication to the creator in a simple and transcendental way. We transmit the analysis of its contents carried out by Sir Knight Brian Ragain⁽²⁾.

OUR FATHER WHO ART IN HEAVEN – We here address our Heavenly Father, just as we address one another. This may have been a precursor to the death of Christ, when He became the ultimate sacrifice and tore down the traditional parkway to God, thereby informing His disciples that they may speak directly to God. This must have been very new to them. They were following the son of God but He was directing them to speak directly to the Father.

Who art in Heaven signifies where God resides and displays His glory. This teaches us to look upward in prayers, to the place where heavenly mansions are prepared for the faithful followers.

HALLOWED BE THY NAME – The un-spoken name of God. His name is so powerful that we are not permitted to know it. When Christ died and the veil was torn, we no longer needed to appeal to the high priest to talk to God but now had the ability to appeal to God through prayer. We were each given the power contained in knowing the unspoken name of God, whether we realize it or not.

THY KINGDOM COME – We are asking God to reign over our hearts and minds. We are anxiously awaiting for the day when the "mountain of the Lord's House shall be established in the tops of the mountains" and the world is filled with His glory.

THY WILL BE DONE – We are declaring that the will of God will be performed, just as we are taught "may we so faithfully serve the Master, that having passed through the portals of the grave we may receive from His hand the crown of victory, while we exclaim "not unto us, oh Lord, not unto us, but unto thy name give glory." We are committing to obey the law of God and to keep his commandments.

ON EARTH AS IT IS IN HEAVEN – This petition states that we know that the reign of the Blessed Emmanuel, the Prince of Peace. The Great Captain of our Salvation will become universal and eternal. This also intertwines with the teaching of "as above, so below." We are quick to forget that we have a direct pathway to God through the power of prayer. Heaven will be revealed to us soon, but we must strive to live a Godly life here on Earth.

GIVE US THIS DAY OUR DAILY BREAD – "Man cannot live by bread alone but by every word that proceeds out of the mouth of God." We do not need anything except that which God grants to us. He promises us plain fare and pure water because that is all we need. Manna was a gift of God to the Israelites in the wilderness and supplied their every need. We too must remember that what we sow, we will also reap. When we get tired of waiting and proceed to apply our own knowledge to the situation and "force." God's hand, we may get what we were asking for but not in the manner we intended. We were given the ability to use our faith to move mountains, but Moses showed us that when we decide to beat rocks, the consequences are not always favorable.

AND FORGIVE US OUR DEBTS, AS WE FORGIVE OUR DEBTORS – This one verse is very powerful. We are asking forgiveness for breaching our obligations just as we are to forgive those that have breached theirs. This can mean that we are to forgive our debtors as we are forgiven our debts, or that we are to be forgiven to the same manner that we forgive others. What a difference one little comma makes. Remember the sentiments uttered by the Pilgrim "I now declare in truth and soberness that I entertain no enmity or ill will against a soul on earth that I would no freely reconcile should I find in him a corresponding disposition."

(continued on page 6)

THE LORD'S PRAYER (CONTINUED)

Submitted By Antero "Doc" Trujillo, Chaplain, Very Reverent Grand Chaplain

AND LEAD US NOT INTO TEMPTATION – Just as Judas betrayed Christ for thirty pieces of silver we should be reminded that our need for penitence has not and will not end, and that “should temptation assail you, should misfortune befall you, should all the world seem to forsake you, still remain faithful to your vows of Knighthood.”

BUT DELIVER US FROM EVIL – Christ died that we might live, “...our blessed Savior, after suffering the pains of death, descending into the place of departed spirits; that on the third day He burst the bands of death, triumphed over the grave, and in due time ascended with transcendent majesty into Heaven, where He now sits at the right hand of our Heavenly Father, a mediator and intercessor for who have faith in Him.” Just as we help the widows and orphans by helping them over the rugged path of life, Christ gave his life that we may be delivered from evil.

FOR THINE IS THE KINGDOM AND THE POWER AND THE GLORY FOREVER – We are making a public declaration of the cause in which we are engaged. We are acknowledging the Deity; through the kingdom, or the gloomy hour of dissolution and secure our ineffable and eternal happiness in the world to come.

The prayer closes with an acknowledgement of God primacy over all, for all time. All is His, what is “ours” is only temporary.

Amen.

MUSINGS ABOUT MASONRY

Submitted By Ira Hearen, Jr., Tyler

THE OLD MASTER'S WAGES

I met a dear old man today,
Who wore a Masonic pin,
It was old and faded like the man,
It's edges were worn quite thin.

I approached the park bench where he sat,
To give the old Brother his due,
I said, "I see you've traveled East,"
He said, "I have, have you?"

I said, "I have, and in my day
Before the all-seeing sun,
I played in the rubble, with Jabala
Jubalo and Jubalum."

He shouted, "Don't laugh at the work my son,
It's good and sweet and true,
And if you've traveled as you said,
You should give these things their due."

The word, the sign, the token
The sweet Masonic prayer,
The vow that all have taken,
Who've climbed the inner stair.

The wages of a Mason,
Are never paid in gold,
But the gain comes from contentment,
When you're weak and growing old.

You see, I've carried my obligations,
For almost fifty years,
It has helped me through the hardships
And the failures full of tears.

Now I'm losing my mind and body,
Death is near but I don't despair,
I've lived my life upon the level,
And I'm dying upon the square.

Sometimes the greatest lessons
Are those that are learned anew,
And the old man in the park today
Has changed my point of view.

To all Masonic Brothers,
The only secret is to care,
May you live your life upon the level,
May you part upon the square

FREEMASONRY: THEN, NOW, AND IN THE FUTURE

Every active Mason has withing himself the ability to improve his Lodge – to move it forward.

Our Fraternity is a society of friends and Brothers. Our ritual and ceremonies are intended to provide a shared, common experienced that is the beginning of a lifetime of friendship.

Too often, Freemasons focus on the "problems" of Freemasonry rather than on the true glory of it – the making and keeping of friends among those who otherwise would have remained at a perpetual distance.

Our rules, like our ritual, are fairly straightforward. However, like our ritual, our rules often become an unfortunate stumbling block for those who are not willing to familiarize themselves with them.

Yet within the basic framework established by our ritual and rules, there is much work left to be done to make a Lodge complete. Its adornments, be they successful or failures, are left to the Brethren of a Lodge to create.

Like our operative forefathers who actively sought the skills and new techniques developed at other successful building sites, so should the Masons of today look to successful Lodges to learn how to do things a little differently or a little better.

The desire to get back to the basics of the good old days is a classic desire of mankind. Whenever the road becomes difficult, mankind looks back to what it believes what the Utopia of a bygone day.

Freemasonry has been able to pass on its gift of friendship from one generation to the next, not because it has held onto a ridged orthodoxy, but because the symbology of Freemasonry is such that each generation is able to adapt it to its own needs.

Freemasonry of the post Second World War era was not the Freemasonry of the Civil War. Freemasonry of the Westward Migration was not the Freemasonry of the American Revolution. No, every generation has found in Freemasonry and made of it that which it needed to continue on the rough road of life.

It is important that today's generation do the same.

STATED MEETING

Another good turnout for our October Stated Meeting. We are looking forward to the return of our winter visitors!

STAR IN THE EAST

By BJ Dale, PM, Treasurer

Greetings Everyone,

Well, it's that time of year that we get to say "Welcome Back" to everyone, our local Chapter members, Winter visitors, and guests. It's always so refreshing to see everyone, have our chairs filled, and members and friends on the sidelines.

We have a busy and exciting year coming up and look forward sharing it with all of you. We enjoyed our Oktoberfest dinner before our October 24th meeting with good food and laughter. We will be serving our Masonic Brothers of Yuma Territorial Lodge 17 on November 9th with a traditional Thanksgiving meal with all the fixings, as they will also be honoring our Veterans and Military. Please come down and join us! The cost of the meal will be \$10.00. Our next Chapter meeting will be on November 14th; we will be celebrating our Veterans and will be having a Thanksgiving celebration meal beforehand. Our Worthy Matron would like everyone to wear their red, white, and blue! We will also be having a School of Instruction at 5:30pm before dinner, so if any Star visitors would like to learn a little more about Arizona Eastern Star, please join us! Our December meeting will be on December 12th. We look forward to seeing everyone in their Christmas attire and celebrate with a Christmas dinner before the meeting. Our Masonic Brothers will be hosting our very own Brother Michael Dale, who is the Deputy Grand Master in Arizona, for their December meeting. We look forward to serving the dinner for them.

We would like to thank Sister Carolyn Simson for providing wonderful themed decorations throughout the year. Both the Masons and our Star members and friends enjoy and appreciate her time and effort making our Lodge look welcoming and festive.

Some of our members are enjoying traveling and attending Official Visits around the state. Many of our Sisters and Brothers are planning on attending the Installation of Officers in Imperial, California on Sunday November 19th at 4:00pm PST. We look forward to attending and supporting them for their upcoming year.

Our Chapter will be having our Official Visit on January 27th. We are looking forward to welcoming our Worthy Grand Matron Pat Peterson and Worthy Grand Patron Gary Horn. We will also be honoring our own Associate Grand Conductress, Ruth Wilmot. We are already making plans and excited to make this Official Visit a fun time for our Sisters and Brothers across the state. We hope you can join us. More information will be coming soon.

Look for us on Facebook at **Yuma Chapter #14, OES**. We try to keep up with our events and have even connected with some former members that have moved away from Yuma.

We are continuing collecting food, clothing, toiletries, and other items for Andale's Pantry which supports the students at AWC. Andale's Pantry is designed to meet the immediate food needs of its students on campus by providing a variety of non-perishable food item and basic necessities to student and their families. Many of the out of state and out of country students don't always have the means to go on or off campus to get the things they may need or want. Any and all donations are greatly appreciated. If you would like to donate and can't make it to the Lodge or have any questions, please contact B.J. Dale at (760) 960-9037 or any Star member and we can make arrangements to pick any items up. If you would like to make a monetary donation, you can mail it to the Lodge. Please include a note that you wish it to go towards Andale's Pantry

We are also still supporting Power Paws Assistance Dogs located in Scottsdale, in conjunction with our Grand Chapter and General Grand Chapter. Their mission is to provide highly skilled assistance dogs to children a adult with disabilities. We have been supporting and donating to this wonderful cause going on four years now. We have collected gift cards, provided slow feeder bowls, grooming tools, bowls, leashes, and many other items so far. Again, if you would like to donate, either items or monetarily, please contact B.J.

PUBLISHER'S CORNER

Cooler weather is upon us, which means our winter visitors are back! We are so excited to have some of our winter visitors return and can't wait for the rest of them to come! It means a lot that they come to our meetings, whether it's for Lodge or for Star, and have them fill our sidelines. We hope they enjoy coming to meetings as much as we enjoy having them!

The holidays are quickly approaching. A time of true friendship and fellowship, a time to count our blessings and to share our blessings with each other. Take time to reach out to your Sisters and Brothers; if you know someone will be alone or are away from their families, reach out to them and let them know they have family here with them. Try to spread joy and happiness whenever you can!

If there is anything you would like to see in the Trestleboard or have any suggestions, please feel free to let me know! If you see any corrections that need to be addressed, please let me know those as well so they can be corrected. If you attend an event, don't forget to take pictures and submit them, either to me or on the Yuma Lodge Facebook page. Take care and stay safe!
